Subject: Drawal of market sample from the Ports of entry

This is to inform you BIS envisages to draw market sample from the Ports of entry. In order to implement the same it is essential for BIS, to have prior information regarding arrival of ISI-marked products at port and their designated place of delivery in india.

You are therefore requested to provide details of your ISI-marked consignment, meant for export to India immediately after despatch from your factory the consignment, in the following format:

Sl. No.	Name of licensee with license no	IS No. & product	Details of consignment despatched	Port at which the consignment will be delivered	Location (in India) where the sample is to be collected by importer/consignee along with their details	Expected date of arrival in India

The above information is required to be sent to FMCD by email to msoverseas@bis.gov.in from 1st Nov'2020 onwards positively.

In case it is observed later on, that the prior information of dispatch of ISI marked product is not provided, strict action as per BIS rules will be taken against the licensee.

It is also requested to provide the details of ISI marked material exported to India during the month of Aug & Sept 2020 in the above format within one week i.e. upto 29 Oct 2020.
